ABOUT ME:

Hi, my name is Tom! I'm a wedding and landscape photographer based in Staffordshire.

For me, photography is about more than just capturing an image, it's about sharing a moment in time, a feeling, a story.

I've been shooting weddings for over ten years now. There isn't a day that goes by that I don't have my camera and tripod in-tow.

I started documenting weddings of friends and family members to build up my portfolio. In 2022, I officially opened Roam Photography in partnership with my longtime collaborator and best friend Harry Challans-Harvey. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business as a photographer. It truly is the best feeling in the world and I cannot wait to work with you.

A: Minor edits will be made to all of your images, but specific edits will be charged separately.

KIND WORDS:

Tom and Harry were absolutely incredible they captured our day perfectly! I can't thank them enough, they are photos I will treasure forever! - Laura

These guys are great, honestly two of the nicest lads. Made everyone at ease...nothing was too much trouble and they fitted in perfectly at our wedding - Kay.

Thomas honestly went above and beyond for us on our wedding day, on one of the hottest days of the year he was just a dream, doing things that a 'normal photographer' wouldn't, he listened to what I wanted, helped me, carrying my dress, fetching fans for our room, making sure everyone felt comfortable and he just blended in perfectly. Honestly I could not recommend Tom enough.

KIND WORDS:

Tom and Harry were utterly wonderful on our wedding day. Nothing was too much trouble from talking through what we wanted beforehand to giving us ideas on the day for what would make good backgrounds or group shots. We wanted a natural feel and they captured it beautifully never making us feel like having the formal pictures taken was a chore which was what we really wanted to avoid. Their after care has been wonderful, quick to respond to requests and always helpful. Tom and Harry captured the essence of our day perfectly we can't recommend them highly enough. - Cora

From the very first interaction to the last everything about working with Tom from Roam Photography was a such a positive experience. They are the friendliest guys and just felt like having two more guests at my wedding rather than people working it. They are a must hire you won't be disappointed! - Carla
